Summer Fair ~ Friday 29th June

3.30pm

Our Summer Fair is only a week away and we still need your donations for the stalls!!

We especially need your help with the Bottle Stall, we've got lots of soft

drinks but really, really need something a little stronger!! We've had several non-uniform days but need lots more to make sure the fair is a success.

The Fair takes a lot of planning and work

by the PTA and your help is really appreciated, so if you do have any donations for any of the stalls please send them into school as early as possible next week.

This year our year six pupils are taking part in an Enterprise Project. They each have £5 and have to use their entrepreneurial skills to make a profit - can you do anything to help them reach their target??

Our ECO Team

The ECO team meet every Wednesday at Seacombe library from 3.30-4.30pm to get involved and improve our local community. We recently did a litter pick with members from our local community and Lynn from WEN (Wirral Environmental Network).

We also helped to give the library a face lift and planted a range of colourful plants and strawberries outside the library. Several of our group regularly water the plants at weekends.

Our Art Exhibition

KS1 Celebrations!

Year 1 and 2 have worked so hard over the past couple of weeks and we are so proud of them all. They have completed phonics screening tests and SATS and they have all been superstars! Every single one of them has tried their best and we are so impressed with their effort, patience and the progress they have made. Well done to you all! We will be planning a special treat for them as a reward as they have certainly earned it!

We would like to say a HUGE thank you to all that came to visit our art exhibition. The children worked so hard on their own masterpieces and they were so happy to see their work on display. It was lovely to see how proud they all felt of themselves and each other. All of the children's work looked amazing and it was fantastic to see so many of you offer your support, a big thank you to all that came. They have helped raise money towards school and a special children's charity, Zoe's Place, so well done to everyone. We will keep you updated on how much was raised and what the money will be used for in school J

School Attendance

Attendance is good at present, well done to all who have still got 100%!

It is a key priority for us to ensure that attendance remains at **95% or above**.

And to everyone who has made such an effort this week to be in school every day

Attendance overall including Foundation Stage: 94%

Attendance overall without Foundation Stage: 93%

Those who have already fallen below national average will be invited into Attendance Panel or receive a home visit from our Education Social Worker, Steve Clayton.

Attendance Panels are taking place on

Dear Parents/Carers,

First Holy Communion

This week we held a special Thanksgiving Mass and party for all our children who made their First Holy Communion this year. It was a lovely day made extra special by sharing it with families and all the children in school. Thank you to parents for all you have done to support your children and to all the staff who have helped prepare the children so beautifully.

We are already looking ahead to our sacramental programme next year for our children moving into Year 3 or any other classes in KS2. If you would like your child to be involved but he/she is not yet baptised please note that Baptismal preparation meetings take place throughout the year. The next meeting is at 2pm on 8th July at St Alban's Parish Hall; parents do not need to book a place, just turn up.

Two Year Olds Sports Day

This is certainly a first for St Joseph's this year! We are looking forward to a great morning of sports and games involving our amazing two year old children and their parents. There will be refreshments, sandwiches and cakes too. It promises to be a wonderful morning. Come along at 10am on Monday 25th and join in the fun!!

Medication

School follows clear procedures for the administration of medicines to pupils where this is required. Medicines should only be taken to school when this is essential and can only be administered as part of a signed agreement with parents. We are only able to accept medicines that are in date, labelled and have been prescribed. Please ensure that school is kept up to date if there are any changes to your child's medication. Thank you for your cooperation.

Feast Day of St Peter and Paul

On Friday 29th June we will all be going to Church together to celebrate the feast day of St Peter and Paul. You are all very welcome to join us for Mass at 9.30.

Every blessing

Mrs Vernon
