At St Joseph's Catholic Primary School, we believe school uniform plays a valuable role in contributing to the ethos of our school. We take great pride in our school uniform as we want only the best for our school and our children.

We also believe that it:

- Sets an appropriate, positive tone.
- Instils pride.
- Supports positive behaviour and discipline.
- Ensures pupils of all races and backgrounds feel welcome.
- Nurtures cohesion between different groups of pupils.
- Protects children from social pressures to dress in a particular way.
- Should take account of health and safety issues.

Above all, we believe that school uniform supports effective teaching and learning.

PRACTICE

School Uniform

When deciding on school uniform, every effort has been made to ensure that we achieve best value for money whilst maintaining high standards. Our new school uniform was phased in from September 2015, with all pupils expected to wear the new uniform from September 2016. Pupils in the Foundation Stage commenced wearing the new uniform from September 2015. However, all other uniform expectations outlined in this policy were applied from September 2015. School specific uniform may be bought from our two suppliers: Wirral Uniform Centre, (Tartan kilts and pinafore).and Wallasey School Wear, Rake Lane, Wallasey.

Whilst all school specific uniform must be bought from these suppliers, other items such as shirts, blouses, trousers/shorts, summer dresses and school shoes are available from a range of sources.

All uniform should be labelled, either with a laundry marker pen or with an iron-on/sewn-in label

All aspects of our school uniform are expected to be adhered to and are monitored through our school Behaviour and Discipline Policy. If we find that a child is wearing clothing not specified on the uniform list without good reason, we will send a letter home reminding parents and carers of the school policy. We want all our children to take pride in their appearance.
