## MRS BOEKWEIT-HUGHES RECOMMENDS... GOOD TO READ TOGETHER:

### EYFS

Look out - there's a Ticklemonster about! And he's off to tickle all his animal friends, from the pigs on the farm to penguins at the zoo. Join Tom and Bear as they follow him on his adventures, but watch out - you might get tickled too!

### KS1

Claude is a small plump dog with a penchant for snazzy berets and a bent for problem solving. Accompanied by his sidekick Sir Bobblysock, he ventures into the city in the first of two episodes, followed by a second involving a visit to the hospital. The text in the opening pages is confidence building for less experienced readers and there are plenty of picture cues in the humorous illustrations.

### KS2

*Granny* by Anthony Horowitz is a gripping story about twelve-year-old Joe, who has an unbelievably repulsive granny. Soon, Joe realises that his granny is not only physically revolting, but she's also a revolting person too. She is plotting against Joe and no other adults in his life can see it. So, it's all down to Joe to find a way to protect himself from his evil grandmother's sinister plans and reveal the truth. Will he be able to do it?

**Kayleen in Year 5 recommends...**

I really liked this book because it taught me about World War 2. This has given a love of learning about the war. The friendship between Bruno and Schmel grows unexpectedly as they are two children from different religions and races. At the end, it leaves you on a cliffhanger!

**Teddy in Year 2 recommends...**

I liked this book because the pictures are funny and the wolf in the story is so smart, sneaky and guilty. The ending is not what I expected and has a bit of a twist. I recommend this book!
