Dear Parents/Carers,

We have received an update from the Department for Education regarding travelling to school. Please take the time to read and digest their recommendations.

## **Travelling to school and college safely**

It is likely that the roads and public transport system will be busier now that other businesses have reopened. If you live a short distance from your school, walk, cycle or scoot to and from school wherever possible and safe to do so. Avoid sharing a car with anyone outside of your household or support bubble. If you are using public transport to travel to school, don't forget to:

- wear a face covering (unless you are exempt- including if you are 11 and under)
- socially distance where possible
- wash or sanitise your hands regularly
- be considerate to fellow passengers and staff

## **St Joseph's**

Please show care and consideration to others at the school gate, at the start and end of the day. I am again requesting that you wait on the yellow footprints outside the school gate. This ensures that there is a clear path along the pavement, so that members of the public and our school can pass safely. Please continue to wear a face covering during the start and end of the school day, all of these measures are taken to keep our school family safe.

Our Covid-19 risk assessments is available on the school website for further information,
