- Supports positive behaviour and discipline.
- Ensures pupils of all races and backgrounds feel welcome.

PRACTICE

School Uniform

When deciding on school uniform, every effort has been made to ensure that we achieve best value for money whilst maintaining high standards, inline with the newly revised government uniform legislation that will come into effect in September 2022.

School specific uniform may be bought from our main supplier: Wirral Uniform Centre, (Tartan kilts and pinafore). Other items such as shirts, blouses, knitted jumpers, knitted cardigans, trousers/shorts, summer dresses and school shoes are available from a range of sources.

All uniform should be labelled, either with a laundry marker pen or with an iron-on/sewn-in label

All aspects of our school uniform are expected to be adhered to and are monitored through our school Behaviour and Discipline Policy. If we find that a child is wearing clothing not specified on the uniform list without good reason, we will send a letter home reminding parents and carers of the school policy. We want all our children to take pride in their appearance.
